Innomed, Inc. Blade Discount Program

Effective as of March 7th, 2019, our Blade Exchange Program has converted over into a discount program. **Within this change, you are no longer required to return your old blades for exchange.** We will only require that you complete our Blade Discount Order form (formally the Blade Exchange Form). You may contact our Customer Service Center for blade pricing. It is mandatory that the form be completed in its entirety to prevent a delay in order processing. Please note that your account code is required to be placed on the form so that we can verify that you have purchased these blades in the past.

Our Blade Discount Order Form can be located on our website at www.innomed.net. Under the Support tab, click on Returns/Repairs and print the CupX Blade Discount Order Form. You may return the form to us by email or fax for processing.

Please feel free to contact us with any questions or concerns. We look forward to assisting you.
